

October 2nd Update

As of the writing of this update, the State of California or Nevada County have not issued any additional updates to the restrictions imposed on our area and park. California shut down 18 National Forests, including Tahoe National Forest, to camping due to fires and the need for firefighters to focus on fighting these fires. As our park is private, we are not subject to this restriction. We will continue to stay atop of any changes and report them to you in our future updates.

The following are updates on specific restrictions, plans and operations:

Honey Wagon Service

Our honey wagon service can now be scheduled daily to help aid those members needing to shut down their RV's and Trailers for the winter. Please call the office to schedule a time for this service.

Office

We currently have opened the office to members to enter the lobby and conduct business. We ask that no more than two members of the same household enter the office at any time. Members must wear a mask when entering the office. Plexiglass partitions have been erected on the counters to help protect the office staff and members from the virus. The office bathroom will remain closed to members until further notice.

Services Available as of October 2, 2020

Laundry Appointment only between 9am-5pm daily

Dumpsters 9am-10pm daily – locked at 10pm

Please remember to latch down the lids on the dumpsters to deter animals from entering and tearing up the trash. We have had some recent activity and would like to address it now, so we do not have a bigger issue in the future.

Office Open for member business and gate entry from 9am-10pm. Lobby is open to 2 members only.

Propane Tanks filled daily at 9am

Honey Wagon Tuesdays and Thursdays – Please call office to schedule

Golf Cart Charging Normal operations

Water Water system fully operational for members use with periodic outages

<u>Campfires</u>	Wood Campfires and charcoal barbeques are suspended until further notice.
<u>Gate</u>	The entry gate has been repaired and normal operations have resumed. Member's first visit will still require manual operation of the gate with activation of members gate passes for future entry.
<u>Site Inspections</u>	Site improvement and site sales inspections are ongoing and are handled on a first come first serve basis.
<u>Potential Buyers</u>	Potential buyers may enter the park per the rules outlined in the June 12, 2020 update and posted on the Membership for Sale webpage.
<u>Comfort Stations</u>	Currently 6 comfort stations and the Lodge bathrooms are open. Future openings are dependent on available employees and demand.
<u>Contractors</u>	Licensed contractors and vendors with business licenses will be allowed in the park on a limited basis. (snow roofs, trailer moving/removal, RV repairs, etc.) Please contact the office to schedule access.
<u>Material Deliveries</u>	Material deliveries by vendors can resume but need to be approved by the manager and access scheduled with the office.
<u>Ice</u>	At this time ice will not be available for sale in the park.
<u>Golf Carts</u>	Please remember not to leave your golf cart at the charging stations for more than 24 hours to allow other members the opportunity to charge their carts.
<u>Bears</u>	Bears continue to be in the park and members need to stay vigilant and be diligent in ensuring trash is disposed of properly and daily.
<u>Pool</u>	Pool will not open this season and Management is working on performing needed repairs so the pool will be ready in spring 2021.

Governor Newsom and the California Department of Public Health have released updated guidance for the use of masks when outside the home. We ask that you read and follow this guidance for yours as well as others health and safety. The link to this updated guidance is listed below. Please remember to practice social distancing while in the park and stay safe, healthy and enjoy the fresh air and sunshine.

Updated Mask Guidance per the California Department of Public Health
