

ANNUAL SITE CLEAN UP – DEADLINE JUNE 18th.

Members needing help with the removal of pine needles, pinecones, and slash from their sites may contact the following names to negotiate a price and discuss the work to be performed. Tahoe Timber Trails Association, the Board of Directors, and Management does not recommend or endorse any of the services offered. Members are solely responsible for the annual cleanup of their sites and ensuring all requirements have been met as listed on the Form FM-03-10. The Member needs to sign the form and notify the Office when ready for inspection prior to the deadline.
